Reports to:	Clinical Services Manager		
Employment type:	Part time (0.8EFT)		
Employment length:	Contract until 14 th February 2025		
Direct reports	NA	Indirect reports	-

POSITION PURPOSE STATEMENT

The Enhanced Care Coordinator will work within the clinical team of the centre providing increased capacity to engage and support young people with complex needs to seek and maintain their treatment within an enhanced primary care setting. This role will also support those young people at risk of self-harm and potential suicide who are presenting to the Emergency Departments (ED).

Working with an identified ED, the Enhanced Care Coordinator will identify and address the barriers and challenges to access appropriate service pathways and effective treatment. Working with the leadership team, this role will provide assessment, care planning, referral, advice and consultation services to young people, their families/carers and community professionals/agencies, and will be involved in service development.

About headspace

headspace is a world-first youth mental health initiative that supports young people who are going through a tough time; whether it's depression, anxiety, relationship break-ups or alcohol and other drug issues. The youth-friendly services at headspace are aimed at teenagers and young adults in recognition of the fact that 75 percent of mental disorders emerge before the age of 25 years.

POSITION FOCUS

	Key responsibility area	Percentage
1	Clinical support	60%
2	Stakeholder engagement	20%
3	Administration	10%
4	Other	10%

POSITION KEY RESPONSIBILITY AREAS

<p>1. Clinical support</p> <ul style="list-style-type: none"> • Work with Clinical Services Manager to engage in and deliver shared care with the Access team, medical, collocated and contracted staff to support the provision of youth-friendly early intervention services at headspace for young people with moderate and complex mental health disorders. • Work in partnership with other senior clinicians across the region to support emergency department and identify those young people at increased risk of self-harm and suicide. The Enhanced Care Coordinator will work to identify, understand and address the barriers and challenges to access of appropriate service pathways and effective care. • Manage intake, assessment and referrals processes for more complex and 'higher risk' young people and assist others in the team to do so. • Manage caseload of complex and higher risk young people which may include providing community outreach. • Deliver evidence-based brief interventions, including group interventions, with young people and their families/carers. • Assist in covering clinical service management tasks when required. <p>2. Stakeholder engagement</p> <ul style="list-style-type: none"> • Promote coordination of intake and referral processes both within headspace and external services particularly Emergency departments and GP's and assist other team members with this. • Promote the headspace program, communicate regularly with, build and maintain collaborative working relationships with health and welfare agencies and the general community. • Participate in and develop community awareness activities, relationship building activities and appropriate community and agency meetings. <p>3. Administration</p> <ul style="list-style-type: none"> • Maintain accurate and timely case notes and records in approved database systems. <p>4. Other</p> <ul style="list-style-type: none"> • Participate actively in Clinical Review Meetings and act as chairperson if required. • Promote and monitor activities supporting research projects conducted at the centre. • Promote positive working relationships between the Access Team and other staff and contracted professionals at headspace. • The role may incorporate other service development activities and responsibilities as directed by the Clinical Services Manager. • Comply with and support others to comply with Orygen's policies and procedures, including taking appropriate action to hold others accountable and promote a workplace culture that is safe, diverse and inclusive.
